

Alexis Buzzell

alexis.buzzell@auburn.edu | alexisbuzzell.github.io | linkedin.com/in/alexis-buzzell

Experience

Postdoctoral Scholar , Physics Education Research, Auburn University	Jan 2026 - Present
Graduate Student Researcher , Physics Education Research, University of Utah	Aug 2022 - Dec 2025

Education

University of Utah , PhD in Physics	May 2026
• Advisor: Ramón S. Barthelemy	
Worcester Polytechnic Institute (WPI) , MS in Mechanical Engineering	May 2020
Worcester Polytechnic Institute (WPI) , BS in Physics	May 2019
• Summa Cum Laude	

Publications

Published

- **Buzzell, A.**, Atherton, T., & Barthelemy, R. (2025). Modern physics: Understanding the content taught in the U.S., *Physical Review Physics Education Research Focused Collection in Investigating and Improving Quantum Education through Research*, 21(1), 010139, <https://doi.org/10.1103/PhysRevPhysEducRes.21.010139>.
- **Buzzell, A.**, Atherton, T., & Barthelemy, R. (2025). Quantum curriculum in the US: Quantifying the instructional time, content taught, and paradigms used, *Physical Review Physics Education Research Focused Collection in Investigating and Improving Quantum Education through Research*, 21(1), 010102, <https://doi.org/10.1103/PhysRevPhysEducRes.21.010102>.

Accepted

- **Buzzell, A.**, Atherton, T., & Barthelemy, R. (2026). Characterization of the Graduate Level Quantum Curriculum within US Physics Doctoral Programs and Theoretical Frameworks of US Quantum Curriculum. *Physical Review Physics Education Research*, <https://link.aps.org/doi/10.1103/1ww9-cf72>.

Peer Reviewed Conference Proceedings

- **Buzzell, A.**, Atherton, T., & Barthelemy, R. (2025). Assessing a combined human coding and natural language processing method for qualitative analysis in physics education research. *Physics Education Research Conference Proceedings*, <https://doi.org/10.1119/perc.2025.pr.Buzzell>.
- **Buzzell, A.**, & Barthelemy, R. (2024). Certain bodies in uncertain fields: Thinking about gender through queer theory & quantum mechanics. *Physics Education Research Conference Proceedings*, <https://doi.org/10.1119/perc.2024.pr.Buzzell>.

In-Review

- **Buzzell, A.**, Belcher, J., Ruben, R. Flint, P., & Burkholder, E. (2026). How a physics orientation course impacted students' motivations to study physics.

Submitted

- **Buzzell, A.**, Atherton, T., & Barthelemy, R. (2026). *Survey on Faculty Perspective of the US Quantum Curriculum*.
- **Buzzell, A.**, Burkholder, E., & Basir, S. (2026). "We are treated as if we don't deserve to be here": First-year graduate students' accounts of their struggles in a physics doctoral program. *Physics Education Research Conference Proceedings*.

In Preparation

- **Buzzell, A.,** Atherton, T., & Barthelemy, R. (2026). *Mixed methods approach for curriculum characterization and adequacy.*
- **Buzzell, A.,** Barthelemy, R., & Atherton, T. (2026). *Use of natural language processes as unique method for validation in qualitative education studies.*

Awards

Physics Education Research Leadership and Organizing Council (PERLOC)	Jun 2025
Domestic Travel Grant, \$500	
Outstanding Graduate Teaching Assistant, Department of Physics & Astronomy, University of Utah, \$1000	Apr 2025
APS Group on PER (GPER) Journal Publication Fee Mini-Grant Award, \$500	Dec 2024
PERLOC Domestic Travel Grant, \$634	Apr 2024
GPER Conference Support Mini-Grant, \$1,000	Dec 2023
Swigart Fellowship, University of Utah	May 2023 - Aug 2023
Clare Booth Luce Research Scholar, WPI, \$6,000	Oct 2018 - May 2019
Summer Undergraduate Research Fellowship (SURF), WPI, \$5,000	Jun - Aug 2018
Nuclear Regulatory Commission (NRC) Scholarship, WPI, \$10,000	Jan - May 2018

Talks

Contributed

Teaching

Mentor Teaching Assistant , University of Utah	May 2025 - Jan 2026
• Developed and implemented course materials and curriculum for an online, asynchronous orientation for new departmental teaching assistants • Developed materials and curriculum for and lead the in person 2025 incoming graduate student orientation • Conducted observations of teaching assistants to provide feedback • Developed and lead monthly workshops for teaching assistants with the objective of furthering their teaching skills and professional development	
Teaching Assistant , University of Utah	Jan - May 2025
• Held regular office hours for Algebra-based Physics I course via Zoom • Recorded problem solving tutorials for asynchronous online course • Graded projects and exams	
Teaching Assistant , University of Utah	Aug - Dec 2024
• Held regular office hours for first-semester graduate-level Quantum Mechanics course • Graded homework and exams • Created solutions and grading rubrics for homework assignments	
Teaching Assistant , University of Utah	Jan - Apr 2024
• Held regular office hours for Advanced Electrodynamics and Quantum Mechanics courses • Graded homework and exams • Created solutions and grading rubrics for homework assignments	
Teaching Assistant , University of Utah	Aug - Dec 2023
• Lead recitations for Intermediate Electrostatics and Quantum Mechanics course • Held regular office hours • Graded homework and exams • Created solutions and grading rubrics for homework assignments	
Teaching Assistant , University of Utah	Jan - Apr 2023
• Lead recitations for Modern Physics course • Held regular office hours • Graded homework and exams • Created solutions and grading rubrics for homework assignments	
Teaching Assistant , University of Utah	Aug - Dec 2022
• Lead recitations for Algebra based Physics I class • Held regular office hours	
STEM Teacher , WyEast Mountain Academy, Sandy, OR	Aug 2021- May 2022
• Taught STEM classes including Physics, Precalculus, Algebra, and Geometry	
Long Term Substitute Physics Teacher , Hadley Public Schools, Hadley, MA	Oct - Dec 2020
• Taught Introductory Physics, AP Physics I, and Geology • Created lesson plans, laboratory experiments, homework, and classwork assignments	

Mentoring

Sigrid Mulder , Undergraduate Student, Auburn University	Aug 2026 - Present
• Advised student in undergraduate research project	
Taona Maphosa , REU Student, Auburn University	May 2026 - Aug 2026
Isabella Carlton , Graduate Student, University of Utah	Aug 2025 - Dec 2025
• Tutoring in quantum mechanics concepts for preparation of the qualifying exam.	
Hayley Coluccio , Post-Baccalaureate Student, University of Utah	Aug 2023 - May 2024
• Tutoring in math methods for advanced undergraduate physics coursework.	
Chance Hoskinson , Post-Baccalaureate Student, University of Utah	Aug 2023 - May 2024

- Tutoring in math methods for advanced undergraduate physics coursework.

Service

Peer Reviewer , Journal of Women and Minorities in Science and Engineering	Mar 2026 - Present
Community Committee , Department of Physics, Auburn University	Jan 2026 - Present
Peer Reviewer , Physical Review Physics Education Research	Apr 2025 - Present
Teaching Assistant Committee , Department of Physics & Astronomy, University of Utah	May 2025 - May 2026

- Assigned 52 graduate and undergraduate teaching assistants to roles across 27 courses.

Organizations

American Association of Physics Teachers (AAPT)	2024-Present
American Physical Society (APS)	2023-Present
Physics and Astronomy Society for Support and Advocacy for Gender Equity (PASSAGE) , University of Utah	2022-2025
Society of Physics Students (SPS) , WPI	2016-2019

Outreach

Women in STEM Club Advisor , Wy'East Mountain Academy, Sandy, OR	Sept 2021-May 2022
STEM Started Academy Mentor , Mount Wachusett Community College, MA	July 2018
WPI Touch Tomorrow Science Festival , WPI, Worcester, MA	June 2018
